Wednesday, 1 February 2017

Councillor D. Healy - pedestrian and cycle route. AI033857

"To ask the Chief Executive what progress has been made in relation to the following motion agreed by this Area Committee in April 2015: "That the Chief Executive, as part of the Fingal Coastal Way, bring forward a plan for a pedestrian and cycle route from the West Pier along Claremont Beach promenade then by means of a boardwalk or other structure to join Claremont Road at the level crossing, continue along the right-of-way between the two sections of Claremont Road, follow Burrow Road to the level crossing and go down the right of way between Lauder's Lane and also go behind Sutton railway station to link up with Baldoyle Promenade (thereby avoiding two level crossings), and that the possibilities for related improvements to the amenity of Claremont Beach including renovation/replacement of the public toilets provision of improved lifeguard facilities be included in this plan?"

Reply:

Fingal County Council is largely dependent on the NTA for funding its Cycleway Programme.

The NTA recently indicated their intention to fund the appointment of a Consultant in 2017 to undertake a revised design for the Sutton to Malahide section of the Coastal Pedestrian and Cycle Route to ensure that it meets the Greenway specification / standard. This does not include the section between Sutton Railway Station and the West Pier at Howth.

It is not intended to proceed with the design of a Cycleway north of the railway line in the vicinity of Claremont Road and Beach unless / until a source of funding has been identified.

Councillor D. Healy - Claremont Beach. AI033858

“To ask the Chief Executive what progress has been made in relation to this motion agreed by this Committee in December 2016: “That this Area Committee recommends that a major upgrade of Claremont Beach be included in the Capital Programme to include: · renovation or replacement of the public toilets; renovation of the access from the West Pier, provision of a boardwalk along the railway line from the end of the concrete promenade, and; provision of access from the boardwalk to Claremont Road, with a view to achieving a Blue Flag for the Beach?”

Reply:

Consulting Engineers have been engaged to carry out preliminary design work and costing for Claremont Beach. A meeting on site with the Consulting Engineers will be held shortly to make progress on this work.

It should be noted that this process is intended to assess the feasibility and likely costs involved.

It is likely that any proposed project would require significant Capital Expenditure and would need to be considered in a future Capital Programme.

Councillor C. O'Callaghan - Road markings. AI033828

"That the Chief Executive install 3.5 tonne limit road markings at all the main external entry points to the Grange Road 3.5 tonne limit zone."

Report:

Advance warning signs have been placed on Grange Road in advance of the 3.5t limit. Further 3.5t warning signage has been erected on Main Street, Baldoyle. This is in compliance with the Traffic Signs Manual.

Fingal County Council is in consultation with Dublin City Council regarding additional 3.5t warning signage within Dublin City Council's Administrative Area on the approach to Grange Road.

Providing road markings would not be in compliance with the Traffic Signs Manual.

Councillor D. Healy - Response to Dublin City Council consultation on Clontarf to City Centre Cycle Route. AI033840

"That, in light of the importance for this route for access to Dublin City Centre from the Howth / Malahide Area, this Area Committee recommends that Fingal County Council responds to the public consultation by Dublin City Council in relation to the Clontarf to City Centre Route as follows:

We recommend the provision of a safe and fully segregated two-way cycle path between the existing coastal path at Clontarf and the city centre via Fairview and North Strand as originally proposed, rather than the non-continuous cycle paths which mix cycling with buses, heavy traffic and pedestrians as proposed in the design which has been put on display.

(Reference: <http://www.dublin city.ie/main-menu-services-planning-planning-news/clontarf-to-city-centre-cycle-route-part-8>)."

Report:

If the terms of the motion are passed the recommendations proposed therein will be forwarded to Dublin City Council.
