In 2003 the North Dublin City and County Regional Drugs Task Force was set up by the government along with 9 other Regional Drug Task Forces in Ireland to develop and implement plans to respond to drug problems in our areas.

The North Dublin Regional Drug and Alcohol Task Force is a partnership approach to tackling substance misuse at a regional level. It brings key stakeholders from the Statutory, Political, Community and social sector together to develop, implement and oversee a strategy to substance use related harm for children, adults, families and the wider community of North Dublin.

The Council is entitled to nominate six (6) members from the Balbriggan/Rush-Lusk/Swords Local Electoral Areas to the Task Force
