COMHAIRLE CONTAE FHINE GALL FINGAL COUNTY COUNCIL

Email: Corporate.Services@fingal.ie

County Hall
Swords
Co Dublin

Thursday, 15th May 2025

To Each Member of the Blanchardstown-Mulhuddart/Castleknock/Ongar Area Committee (Services A - Operational Matters)

Dear Councillor

A meeting of the **Blanchardstown-Mulhuddart/Castleknock/Ongar Area Committee (Services A - Operational Matters)** will be held Hybrid in the **Council Chamber - Grove Road, Blanchardstown/MS Teams** at **3.30 pm** on **Thursday, 22nd May, 2025** to consider the following Agenda.

Yours faithfully

Ciara O hAodha
Meetings Administrator
Corporate Services

.....
This meeting may be filmed for live or subsequent broadcast via the Council's website. At the start of the meeting the Chair will confirm if all or part of the meeting is being filmed.

You should be aware that the Council is subject to the Freedom of Information Act 2014 and the Data Protection Act 1988 - 2018 and data collected during this webcast will be retained in accordance with legislation.

Therefore, by entering the Council Chamber and using the seats around the meeting tables or logging on to the meeting remotely, you are consenting to being filmed and to the possible use of those images and sound recordings for webcasting. Members of the public and press should confine themselves to the area provided so that their image is not captured on film. If you have any queries regarding this, please contact the Corporate Services Department on Corporate.Services@fingal.ie

A G E N D A

- 1 Confirmation and Re-Affirmation of Minutes of the Blanchardstown-Mulhuddart/Castleknock/Ongar Area Committee (Services A - Operational Matters) Meeting held on Thursday the 24th of April 2025**

QUESTIONS

- 2 Councillor S. Shovlin - Update on Planned Improvement Works in Parks in this LEA for 2025 - AI102208**

"To ask the Chief Executive to provide an update on planned improvement works across the local parks in this Local Electoral Area for the remainder of 2025?"

- 3 Councillor S. Shovlin - Footpath Inspection and Repair Works - Park Avenue, Castleknock - AI102324**

"To ask the Chief Executive if consideration can be given for an inspection of the footpaths and carrying out any necessary repair works in Park Avenue, Castleknock?"

- 4 Councillor S. Shovlin - Footpath Repair - Castleknock Road - AI102708**

"To ask the Chief Executive if consideration can be given to examine and repair the footpath on Castleknock Road (close to the intersection with Laurel Lodge between Huntington Lodge and Ashleigh) as soon as possible, to create a safer pedestrian route?"

- 5 Councillor G. Sheehan - Installation of Traffic Calming Measures - Ongar Park at Mall Road - AI102248**

"To ask the Chief Executive if consideration can be given for the installation of traffic calming measures where the path from Ongar Park meets the Mall Road?"

6 Councillor G. Sheehan - Installation of Road Markings - Sweeney Mews/The Mall, Ongar - AI102249

"To ask the Chief Executive if consideration can be given for the installation of road markings at the T junction where Sweeney Mews meets The Mall in Ongar?"

7 Councillor G. Sheehan - Installation of Additional Bin - Old Hansfield Road - AI102580

"To ask the Chief Executive if consideration can be given for the installation of an additional bin on the Old Hansfield Road at the entrance nearest to the new dog run in Latchford Park with a view to allowing dog owners dispose of the waste at this point, beside the newly lit pathway to Latchford?"

8 Councillor G. Sheehan - Installation of Bins - Dog Run - Latchford Park - AI102581

"To ask the Chief Executive if consideration can be given for the installation of bins at the new dog run in Latchford park?"

9 Councillor G. Sheehan - Installation of Speed Ramp - Willans Way, Ongar Green - AI102634

"To ask the Chief Executive if consideration can be given for the installation of a speed ramp on Willans Way, Ongar Green, as this estate has recently been taken in charge?"

10 Councillor JK. Onwumereh - Update on Dumping Hotspot - Mulhuddart Village - AI102271

"To ask the Chief Executive to provide an update on the cleaning of the dumping hotspot at Mulhuddart Village carpark and to advise what can be done to prevent future dumping in this location?"

11 Councillor JK. Onwumereh - Update on Dumping Hotspot - Sheephill Green, Corduff - AI102272

"To ask the Chief Executive to provide an update on the request to clean up the dumping hotspot at Sheephill Green, Corduff and to advise what can be done to prevent future dumping in this location?"

12 Councillor JK. Onwumereh - Vandalism of the Eco-Toilet in Tyrrelstown Park - AI102676

"To ask the Chief Executive to provide an outline for a proactive and protective management strategy to tackle the vandalism of the public eco-toilet in Tyrrelstown Park?"

13 Councillor A. Donnelly - Replacement of Broken Exercise Equipment - Millennium Park - AI102648

"To ask the Chief Executive to provide a report on plans to replace the broken exercise equipment that has been removed from Millennium Park?"

14 Councillor A. Donnelly - Tree Planting - Lohunda Road - AI102649

"To ask the Chief Executive if consideration can be given to planting a second layer of trees along the greenspace on Lohunda Road to match the corresponding greenspace in Lohunda Park?"

15 Councillor A. Donnelly - Report on Number of Rodent Complaints in this LEA - AI102654

"To ask the Chief Executive to provide a report on the number of rodent complaints received from residents, both social and privately housed, in this Local Electoral Area?"

16 Councillor A. Donnelly - Update on Provision of Bus Shelters in this LEA - AI102670

"To ask the Chief Executive to provide a report on the work undertaken so far regarding the delivery of bus shelters in this Local Electoral Area?"

17 Councillor J. Burtchaell - Update on Progress - NTA Installation of New Bus Stops - Curragh Hall Crescent, Tyrrelstown - AI102722

"To ask the Chief Executive to provide an update on the progress in response to a Parliamentary Question from Deputy Ruth Coppinger outlining that the National Transport Authority have stated they will be seeking to install a pair of new stops in Curragh Hall Crescent, Tyrrelstown, as part of the roll out of the B spine bus services in 2026, in the shorter term they intend to raise this matter with the local authority to see whether the new bus stops could be progressed at an earlier date under the bus stops enhancement programme?"

18 Councillor J. Burtchaell - Muslim Specific Burial Area - Kellystown Cemetery - AI102733

"To ask the Chief Executive to advise if a separate area in Kellystown Cemetery has been allocated for Muslim burials?"

19 Councillor B. Hanaphy - Repainting of Road Markings - R121 - AI102759

"To ask the Chief Executive if consideration can be given to repaint the road markings on the R121, from Church Road/Damastown Avenue roundabout to the Boulevard/Carlton Hotel roundabout?"

20 Councillor B. Hanaphy - Report on Removal of Trees in this LEA - AI102760

"To ask the Chief Executive to provide a report outlining if trees which are marked with blue paint are to be removed, if so, how many trees in this Local Electoral Area are to be cut down?"

21 Councillor B. Hanaphy - Review of Entrance to Tyrrelstown Park - AI102761

"To ask the Chief Executive if consideration can be given to review access and the entrances to Tyrrelstown Park?"

22 Councillor B. Hanaphy - Update on Repairs to Cycle Lanes - Boulevard, Tyrrelstown - AI102762

"To ask the Chief Executive to provide an update on the repairs to the cycle lanes along the Boulevard in Tyrrelstown?"

23 Councillor J. Walsh - Cleaning of Illegal Dumping - Porterstown Road - AI102795

"To ask the Chief Executive if consideration can be given to arrange a clean-up of further illegal dumping on the Porterstown Road, Clonsilla?"

MOTIONS

24 Councillor J. Burtchaell - Prevention of Scramblers and Quad Bikes - Tyrrelstown and Mick Walsh Parks - AI102244

"That the Chief Executive consider measures to prevent scrambler and quad bike access to Tyrrelstown and Mick Walsh Parks as requested by Tyrrelstown FC and Tyrrelstown GAA, as the vehicles are frequently

using the parks thereby posing a risk to the public and damaging the playing surfaces.”

25 Councillor A. Donnelly - Water Pooling in Dog Run - Ongar - AI102655

“That the Chief Executive undertakes work on the dog run in Ongar to stop the water pooling in the centre of the dog run.”

26 Councillor S. Shovlin - Inspection of Footpath and Road at Oaklawn, Castleknock - AI102671

“That the Chief Executive arrange an inspection and carry out the necessary works to the footpath and road at Oaklawn, Castleknock to improve the standard of each.”

27 Councillor B. Hanaphy - Enhancement of Green Area - Corduff Park & Grove - AI102763

“That the Chief Executive explores what measures can be carried out to enhance the green area between Corduff Park and Corduff Grove.”

28 Councillor J. Walsh - Acquisition of Solar Compactor Bins in this LEA - AI102794

“That the Chief Executive acquires an additional 50 solar compactor bins for this Local Electoral Area, taking account of the environmental benefits and the success of the rollout of these bins so far.”

29 Councillor A. Donnelly - Children at Play Signs in this LEA - AI102669

“That the Chief Executive allows the placement of “Children at Play” signs in this Local Electoral Area, where children actually play, as the current signs do not make that clear.”

30 Councillor B. Hanaphy - Timeline of Pathway Upgrade - Tolka Valley - AI102764

“That the Chief Executive provides a timeline for the upgrade of the paths in the Mulhuddart area of Tolka Valley.”

THURSDAY 22nd MAY 2025

ITEM NO. 02

UPDATE ON PLANNED IMPROVEMENT WORKS IN PARKS IN THIS LEA FOR 2025 - AI102208

Question: Councillor S. Shovlin

“To ask the Chief Executive to provide an update on planned improvement works across the local parks in this Local Electoral Area for the remainder of 2025?”

Reply:

The following is an updated on the planned improvement works across the local parks in this LEA for the remainder of 2025:

- Installing new map boards and finger post signage in Waterville Park.
- Upgrade of Tyrellstown Park Playground (New equipment)
- Upgrade to Millennium Park playground to make it more inclusive and modern.
- Refurbishment of Ongar playground.
- Refurbishment of Beech Park Playground.
- Upgrade St. Catherines Park Playground
- Replace and incorporate new playground pieces in Waterville Park.
- Tir Na Nog Park – installing a children’s trim trail / play pieces.
- Extending the calisthenics unit in Hartstown Park.
- Extending the calisthenics area in Millennium Park.
- Upgrading the outdoor exercise equipment in the Millennium Park.
- Acquiring a consultant architect for the castellated gateway in St. Catherines Park.

- Procure a contractor to roof the courtyard buildings in St. Catherines Park to make it safe. (2025-2026)
- Create heritage signage for the gateway and courtyard buildings in St. Catherines Park.
- Install table tennis in Hartstown Park 2025
- Install box up unit in Hartstown Park 2025
- Upgrade of the water font at the all weather pitch in Hartstown Park
- Upgrade of Castlecurragh entrances to Tolka valley park
- Path widening in Tolka Valley Park (Castlecurragh)

**FOOTPATH INSPECTION AND REPAIR WORKS – PARK AVENUE,
CASTLEKNOCK - AI102324**

Question: Councillor S. Shovlin

“To ask the Chief Executive if consideration can be given for an inspection of the footpaths in Park Avenue, Castleknock and carry out any necessary repair works?”

Reply:

An inspection of the footpaths was carried out in Park Drive, Avenue and Crescent and are included in the planned 2025 Programme of Works for footpath repairs. Footpaths in poor condition will be prioritised for full replacement as part of this programme.

FOOTPATH REPAIR – CASTLEKNOCK ROAD - AI102708

Question: Councillor S. Shovlin

"To ask the Chief Executive if consideration can be given to examine and repair the footpath on Castleknock Road (close to the intersection with Laurel Lodge between Huntington Lodge and Ashleigh) as soon as possible, to create a safer pedestrian route?"

Reply:

This area has been previously inspected, and we are currently in talks with Eircom in relation to moving a pole to facilitate the required footpath works.

We are hopeful works will commence in Q3 of this year once the pole has been relocated.

THURSDAY 22nd MAY 2025

ITEM NO. 09

**INSTALLATION OF SPEED RAMP – WILLANS WAY, ONGAR GREEN -
AI102634**

Question: Councillor G. Sheehan

“To ask the Chief Executive if consideration can be given for the installation of a speed ramp on Willans Way, Ongar Green, Dublin 15 as this estate has recently been taken in charge?”

Reply:

It is not the policy of the Council's Operations Department to install traffic calming within housing estates which have no through traffic and are Cul de Sac estates. The roads are primarily used by residents of the estate.

An inspection of the road was carried out on the 13th of May. During the inspection there were no cases of speeding motorists observed. The Traffic Section will continue to monitor the area over the coming months.

Currently, the Operations Department do not intend to install traffic calming ramps at this location.

Any issues of speeding are enforcement issues which should be reported to An Garda Siochána.

**UPDATE ON DUMPING HOTSPOT – MULHUDDART VILLAGE -
AI102271**

Question: Councillor JK. Onwumereh

“To ask the Chief Executive to provide an update on the cleaning of the dumping hotspot at Mulhuddart Village carpark and to advise what can be done to prevent future dumping in this location?”

Reply:

This area was given a deep clean by the Operation’s Department and residents from the area on 6th May and again on 19th May. Fingal will continue to monitor the area for rubbish levels and litter picks will take place accordingly.

THURSDAY 22nd MAY 2025

ITEM NO. 11

UPDATE ON DUMPING HOTSPOT – SHEEPHILL GREEN, CORDUFF - AI102272

Question: Councillor JK. Onwumereh

“To ask the Chief Executive to provide an update on the request to clean up the dumping hotspot at Sheephill Green, Corduff and to advise what can be done to prevent future dumping in this location?”

Reply:

This open space is approx. 13,500m² / 3.5 acres. On inspection the green area was generally litter free apart from one area which had a recent fire, approx. 15m from the nearest house on Sheephill Avenue. There is a history of rubbish being dumped/burnt here which is cleaned regularly by Operations staff as this open space is litter picked prior to grass cutting, which is on a two-week rota. Operations carried out a major clean up prior to grass cutting commencing, following a week of repeated fires in March this year. Perhaps some local residents can identify who is carrying out this littering and in return the Litter Wardens could then follow up on this continuous littering and illegal fires as this area is really quite close to a residential setting.

ITEM NO. 12

VANDALISM OF THE ECO-TOILET IN TYRRELSTOWN PARK - AI102676

Question: Councillor JK. Onwumereh

“To ask the Chief Executive to provide an outline for a proactive and protective management strategy to tackle the vandalism of the public eco-toilet in Tyrrelstown Park?”

Reply:

On Friday 25th April 2025 the Council were contacted by our cleaning contractor to advise us that the newly replaced ECO toilet at Tyrellstown Park was on fire. There was considerable fire damage to the plastic mouldings, which house the system underneath the toilet.

This ECO toilet replaced the old ECO toilet on site, which was also badly damaged. It was noted that when the new replacement toilet was installed, at significant cost to the Council, should the new ECO toilet be targeted again by vandalism in which the damage caused is extensive, the Council will consider relocating the toilet to another location.

Unfortunately, due to repeated vandalism and arson attacks in recent months, the Council have no option but to close and remove the badly fire damaged ECO toilet in Tyrrelstown Park for safety reasons, whilst we consider our options on how best to proceed next.

**REPLACEMENT OF BROKEN EXERCISE EQUIPMENT – MILLENNIUM
PARK - AI102648**

Question: Councillor A. Donnelly

“To ask the Chief Executive to provide a report on plans to replace the broken exercise equipment that has been removed from Millennium Park?”

Reply:

New exercise equipment has been ordered and will be installed as soon as the provider delivers the equipment.

ITEM NO. 14

TREE PLANTING – LOHUNDA ROAD - AI102649

Question: Councillor A. Donnelly

“To ask the Chief Executive if consideration can be given to planting a second layer of trees along the greenspace on Lohunda Road to match the corresponding greenspace in Lohunda Park?”

Reply:

A double row of trees will not be planted here. This open space is approx. 450m in length with 37 trees planted here. It has 30 trees, mostly Acer, planted centrally along the stretch, with 7 planted closer to the kerb-line at the top near the bend.

All trees on this open space are approx. 40ft high with a canopy of approx. 8m, they are growing healthily and thriving. To plant another row of trees between these and the ones on the Ongar Distributor Road would result in the newly planted trees fighting for nutrients, water and light, and would likely never reach their full potential.

There are a number of gaps here that can be planted, approx. 5, which will be listed for planting with a suitable similar variety, in the 2025/2026 POW.

The trees on Lohunda Park open space that are planted in a double row, are planted more closely to the kerb line and are a narrower, more columnar shaped tree, Ornamental pear, that has less of a canopy spread than those on Lohunda Road.

REPORT ON NUMBER OF RODENT COMPLAINTS IN THIS LEA - AI102654

Question: Councillor A. Donnelly

“To ask the Chief Executive to provide a report on the number of rodent complaints received from residents, both social and privately housed, in this Local Electoral Area?”

Reply:

General complaints of rodents from the public are logged onto the Council's CRM system. A report was run on the system for any rodent related complaints received for 2025 for the Blanchardstown-Mulhuddart/Castleknock/Ongar area details of which are as follows:

The total number of rodent complaints from 1st January 2025 to 14th May 2025 is 47.

Any complaints made by social housing tenants would be reported to the Estate Management section of the Housing Department. The Operations Department would not track the number of pest control complaints received specifically from social housing tenants.

UPDATE ON PROGRESS - NTA INSTALLATION OF NEW BUS STOPS – CURRAGH HALL CRESCENT, TYRRELSTOWN - AI102722

Question: Councillor J. Burtchaell

“To ask the Chief Executive to advise on any progress in response to a Parliamentary Question from Deputy Ruth Coppinger outlining that the National Transport Authority have stated they will be seeking to install a pair of new stops in Curragh Hall Crescent, Tyrrelstown, as part of the roll out of the B spine bus services in 2026, in the shorter term they intend to raise this matter with the local authority to see whether the new bus stops could be progressed at an earlier date under the bus stops enhancement programme?”

Reply:

To date, the National Transport Authority has not contacted the Dublin 15 Area of this Local Authority, in relation to new bus stops at Curragh Hall Crescent, Tyrrelstown. Therefore, there has been no progress on this matter.

**MUSLIM SPECIFIC BURIAL AREA – KELLYSTOWN CEMETERY -
AI102733**

Question: Councillor J. Burtchaell

“To ask the Chief Executive to advise if a separate area in Kellystown Cemetery has been allocated for Muslim burials?”

Reply:

There is currently no separate area designated in Kellystown Cemetery at present specifically for Muslim burials, which would be un-coffined.

Per 6.2 Mode of Burial of the Fingal Burial Ground Byelaws it states:

“Un-coffined burials may be permitted, unless a direction has been issued not to do so by the Council, in an area of a burial ground designated exclusively for that purpose. Where an un-coffined burial is permitted, any reference in this policy to a coffin includes a reference to the wrappings of the un-coffined body.

Any person presenting a body for interment in violation of this rule shall be liable to a penalty of €125.”

Fingal burial grounds are non-denominational and are open to any person(s) regardless of their religion who wishes to be buried at any of our burial grounds.

REPORT ON REMOVAL OF TREES IN THIS LEA - AI102760

Question: Councillor B. Hanaphy

“To ask the Chief Executive to provide a report outlining if trees which are marked with blue paint are to be removed, if so, how many trees in this Local Electoral Area are to be cut down?”

Reply:

A number of trees have been identified by a Qualified Arborist for Fingal's Arbortrack Tree Management System to be felled in 2025 in the D15 area area as follows:

Ongar/ Ongar Link Road / Littlepace area - 231 trees to be felled

Clonsilla area - 102 to be felled

Blanchardstown/ Castleknock area -265 trees to be felled

Mulhuddart / Hartstown area - 181 trees to be felled

Total trees remaining that require to be removed is : 779

REVIEW OF ENTRANCE TO TYRRELSTOWN PARK - AI102761

Question: Councillor B. Hanaphy

“To ask the Chief Executive if consideration can be given to review access and the entrances to Tyrrelstown Park?”

Reply:

A review of the entrances at Tyrellstown Park took place on May 19th, 2025. There are 5no. entrances into the park currently. They are:

- 3 kissing gates
- 1 vehicular entrance with a bollard
- 1 pedestrian/vehicle entrance at the school with bollard and fencing

The use of motorised vehicles within Fingals parks is prohibited. Issues of people using scramblers, electric bikes, quad bikes etc. within Parks and posing a risk to public safety should be reported to the Gardaí. Legitimate park users should not have their access restricted due to anti-social behaviour being caused by a minority.

As part of Fingal County Council's aim to improve connectivity and access to parks for all users (wheelchairs, buggies, cargo bikes) kissing gates are being phased out and replaced with a K-barrier system. However, Fingal County Council will only remove a kissing gate after careful consideration. K-barriers will slow down bikes etc. on their approach to the park but may not prevent all motorised vehicles from entering the park.

PREVENTION OF SCRAMBLERS AND QUAD BIKES – TYRRELSTOWN AND MICK WALSH PARKS - AI102244

Motion: Councillor J. Burtchaell

“That the Chief Executive consider measures to prevent scrambler and quad bike access to Tyrrelstown and Mick Walsh Parks as requested by Tyrrelstown FC and Tyrrelstown GAA, as the vehicles are frequently using the parks thereby posing a risk to the public and damaging the playing surfaces.”

Report:

Tyrellstown:

A review of the entrances at Tyrellstown Park took place on May 19th, 2025. There are 5no. entrances into the park currently. They are:

- 3 kissing gates
- 1 vehicular entrance with a bollard
- 1 pedestrian/vehicle entrance at the school with bollard and fencing

The clubs which use the pitches in Tyrellstown notified Fingal of the anti-social behaviour issues here in February 2025. A review of the pitches was undertaken, and any damage caused was repaired. This did not result in the pitches being called off. Pitches were called off here the week from April 25th to May 2nd due to poor weather conditions.

Mick Walsh Park:

A review of the entrances at Mick Walsh Park took place on May 19th, 2025. There are 5no. entrances into the park currently. They are:

- 1 Kissing gate
- 4 K-barriers

No significant damage was reported to the pitches at Mick Walsh Park. None of the pitches were called off due to damage.

The use of motorised vehicles within Fingals parks is prohibited. Issues of people using scramblers, electric bikes, quad bikes etc. within Parks and posing a risk to public safety should be reported to the Gardaí. Legitimate park users should not have their access restricted due to anti-social behaviour being caused by a minority.

As part of Fingal County Council's aim to improve connectivity and access to parks for all users (wheelchairs, buggies, cargo bikes) kissing gates are being phased out and replaced with a K-barrier system. However, Fingal County Council will only remove a kissing gate after careful consideration. K-barriers will slow down bikes etc. on their approach to the park but may not prevent all motorised vehicles from entering the park.

The Operations department will keep the entrances at Tyrellstown park and Mick Walsh Park under review.

ITEM NO. 25

WATER POOLING ON DOG RUN – ONGAR – AI102655

Motion: Councillor A. Donnelly

“That the Chief Executive undertakes work on the dog run in Ongar to stop the water pooling in the centre of the dog run.”

Report:

This area was chosen for a dog run as its use fits in well with the current landscape of the site. This area was heavily used by dog walkers prior to the construction of the dog run. The very central area of the new dog run can have pooling water. The area to the centre of the dog run is a SUDS area for surrounding properties and therefore is a feature of the dog run. Reeds/rushes are growing here which indicates the soil is wet.

The dog run measures over 5000sqm in size. The new path network will allow for people walking dogs to remain clean and dry should the centre area of the dog run become waterlogged. Should drainage become a very significant issue in the winter months affecting the majority of the dog run, the Council will take appropriate action.

While the Council understands water can pool in the very centre of the dog run all year round, we will not be carrying out drainage works at this location.

INSPECTION OF FOOTPATH AND ROAD AT OAK LAWN, CASTLEKNOCK - AI102671

Motion: Councillor S. Shovlin

“That the Chief Executive arrange an inspection and the necessary works of the footpath and road at Oaklawn, Castleknock to improve the standard of each.”

Report:

Minor road and footpath repairs were carried out on Oak Lawn, Castleknock in Quarter 1 this year.

The footpaths and road surface at Oak Lawn were inspected again on Tuesday 13th May 2025.

Repairs are required to some of the concrete road bays.

Repairs are also required to the footpaths at a number of locations. Some of these may require total replacement.

These works will be listed for consideration in the Programme of Works 2026.

ENHANCEMENT OF GREEN AREA – CORDUFF PARK & GROVE - AI102763

Motion: Councillor B. Hanaphy

“That the Chief Executive explores what measures can be carried out to enhance the green area between Corduff Park and Corduff Grove.”

Report:

The Operations department conducted a site meeting here on Friday May 2nd 2025 in conjunction with the community department and residents from Corduff park estate. The residents highlighted numerous issues and improvements which they feel would enhance the open space here. Some of the points raised were:

- Dumping
- Entrances/access onto the open space
- Exercise equipment
- Benches
- ½ MUGA
- Pollinator beds

All the above points were noted and the residents' thoughts on each. In nearby locations such as Wellview (½ MUGA) and Parslickstown (Exercise equipment) these improvements to the open space have reduced dumping and anti-social behaviour by promoting passive surveillance and fostering a sense of community.

Before the Operations department drafts a proposal for the space further discussion will be needed with the new residents' group at Corduff Park to see how best to involve the community in the scheme. Capital upgrades will accompany this participation.

ITEM NO. 28

ACQUISITION OF SOLAR COMPACTOR BINS IN THIS LEA - AI102794

Motion: Councillor J. Walsh

“That the Chief Executive acquires another 50 solar compactor bins for this Local Electoral Area, taking account of environmental benefits and the success of the rollout of these bins so far.”

Report:

The Blanchardstown-Mulhuddart/Castleknock/Ongar LEA has approximately 95 solar compactor bins operational at present. The Council is currently under a lease-to-buy agreement with the bin provider until 2027 for those bins. Any additional bins would need to be separately tendered outside of that framework agreement.

The Operations Department is currently in consultation with the bin provider with regards replacement bins for the few that have been badly fire-damaged in recent months.

We currently do not have the budget to tender for an additional 50 solar bins.

ITEM NO. 29

CHILDREN AT PLAY SIGNS IN THIS LEA - AI102669

Motion: Councillor A. Donnelly

“That the Chief Executive allows the placement of “children at play” signs in this Local Electoral Area, where children actually play, as the current signs do not make that clear.”

Report:

Slow zone signage has been installed at the entrances to housing estates across Fingal’s three administrative areas. The Department of Transport’s Advice Note advises that the sign should be used at entry points to self-contained housing estates where a 30kph speed limit is being implemented and a slow zone is created. If the estate has multiple entrances, a 30kph and Children at Play sign will be erected at each entrance.

The signs advise motorists entering the estates that they are entering a 30kph SLOW ZONE and to proceed with caution as Children may be at play.

Historically, applying further signs within estates leads to signage pollution.

The Operations Department do not install repeater signs within housing estates.

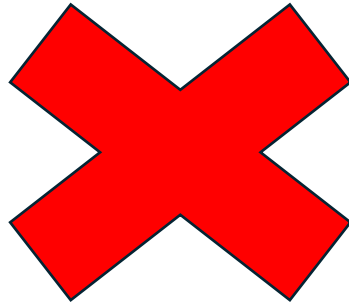

This is the standard that was adopted during the 2021 speed limit review and remains in place currently.
