### MOTIONS

- 4 **Councillor C. Boland - Coastal Impact from the placement of Coastal Wind Turbines.**

“That the Chief Executive submits a comprehensive report on the projected impact from the placement of Coastal Windfarms in waters off the coast of Fingal.”

- 5 **Councillor P. Mulville - Permanent Coastal Measures for Rogerstown (Rush and Portrane)**

“That the Chief Executive provides a report on the current position regarding the An Bord Pleanála planning application needed to carry out the permanent coastal protection measures at Portrane and Rush, in locations at imminent risk of coastal erosion and flooding, to report on whether all the necessary environmental and technical reports are now completed by RPS Consultants, to outline when the planning application will be submitted to An Bord Pleanála and the projected timeline for works to commence.”

- 6 **Councillor T. O'Leary - Update on Marine Legislation MAP - Marine Area Plan for Fingal Coast and clarity on Foreshore Licences**

“That the Chief Executive provides an updated presentation on the Marine legislation outlining when will the Council prepare a MAP (Marine Area Plan) for our coast and clarity on foreshore licences into the future, to confirm what is the new system and who will grant the nearshore (5-8km) foreshore licences going forward, as my understanding from the original presentation given to this Committee was that it would fall to the Council rather than the Department of Housing.”
