A Chara,

I refer to your email dated the 16th of June 2026, the contents of which have been noted.

Each local authority across the State, including Fingal County Council, has received an allocation of €500,000 in 2026 under the Bus Stop Enhancement Programme (BSEP). The funding provided under this programme is intended to enable each local authority, in collaboration with the National Transport Authority (NTA), to enhance bus stop facilities at bus stopping locations within its administrative area. Under BSEP, the determination of where to upgrade existing bus stops or install new bus stops will largely be made by the council, with the final programme of installations to be agreed with the NTA. These bus stops were upgraded by Fingal County Council in 2025, with NTA funding.

- Bus Stop 7560 – The Oaks (Hollywoodrath)
- Bus Stop 1551 – Rockmount (Dubber)
- Bus Stop 1556 – Rockmount (Dubber)
- Bus Stop 3664 – Hampton Cove (Balbriggan)
- Bus Stop 3812 – Fancourt Heights (Balbriggan)

The NTA is engaging with Fingal County Council to agree the programme of such works for coming years. Other locations are welcome to be brought to the NTA's attention for discussion for upgrade/enhancement by Fingal County Council.

Yours sincerely,

Jeremy Ryan
Director of Public Transport Services
