ITEM NO. 03

**UPDATE ON SOLAR UPGRADE OF ELECTRIC VEHICLE (EV) CHARGER -
SKERRIES - AI109389**

Question: Councillor M Quinn

“To ask the Chief Executive to provide an update on the upgrade of the Solar EV Charger for the Fingal Community Car?”

Reply:

The Active Travel Section in conjunction with public lighting have undertaken an assessment of the current Community Car charger on South Strand Street. This assessment has recommended installation of an ESB approved Neighbourhood Charger which would allow it to have a separate ESB meter/ isolation access in the charger itself. We are currently undertaking the procurement on this solution and hope to have updated timelines in the next two weeks.
