**PROVISION OF PEDESTRIAN PATH - MINISTER'S ROAD, LUSK -
AI109690**

Question: Councillor C. Johnston

“To ask the Chief Executive to provide a report on the provision of a much-needed pedestrian path on Minister’s Road in Lusk from Regles Estate to the R132 given the urgent need for the provision of a path at this location with an increasing number of pedestrians walking along this road to the bus stop on the R132?”

Reply:

The Active Travel Section, together with the property section, has engaged with the landowners along Ministers Road to discuss and progress the acquisition of the required lands. These negotiations are progressing positively. Surveys have been carried out during the summer to assist in the development of the preliminary options and design. FCC is committed to progressing this project through Active Travel and will provide further updates to this committee as we develop the proposals further.
