Update on Usher's Lake – AI109598

Question: Councillor J. Smyth

“To ask the Chief Executive to provide a detailed update on the current issues pertaining to access of Usher’s Lake and the apparent conflict between landowners and the Council and to provide a timeline of correspondence between both parties and options for resolution?”

Reply:

The Council is actively engaging with representatives of the owner of lands immediately to the South of Usher’s Lake with a view to resolving access issues relating to an established right of way across these lands. Further briefings on this matter will be provided in due course.
