TIMELINE FOR COMMUNITY CAR IN DUBLIN 15 - AI109994

Question: Councillor B Hanaphy

“To ask the Chief Executive to provide a report on the provision of a community car to Dublin 15, including details of the proposed date of delivery and when the service is expected to become operational?”

Reply:

The Active Travel Section recently conducted a public survey asking for feedback on how best to shape the future of the community car in Fingal. This survey was completed by 109 people, made up of a mix of all stakeholders and from all locations of Fingal.

Following this survey, we are assessing the most suitable locations where a community car may be feasible. Once we have narrowed down the potential locations, we will hold public meetings with Councillors, perspective volunteers and service users. We expect to conduct these meetings in early November 2026.

We would be hopeful that new Community Cars would go live for bookings in Q1 2027.
