ITEM NO. 02

CORDUFF PARK REFURBISHMENTS - AI109614

Question: Councillor B. Hanaphy

"To ask the Chief Executive to provide a completion date for the refurbishments of Corduff Park?"

Reply:

Work on the all-weather are substantially complete and the pitch has returned to regular use by local clubs. The other elements of works on the park upgrade are ongoing including the playground, community garden, car park and upgrades to the boundary and landscape planting. These works are due for completion in late 2026. Further updates on the opening of these facilities will be provided in due course.
