Question: Councillor P. Quinlan

“To ask the Chief Executive to provide a report outlining what conditions of the permission granted by An Coimisiún Pleanála under appeal reference PL06F.500216, on the site of Salmon's Public House and Paddy Power, Mountview Road, Coolmine, Dublin 15, restrict the use of the development and the categories of resident that may be accommodated there, and including whether residents will be referred by the Council or by the Dublin Region Homeless Executive?”

Reply:

The provision of homeless services across the Dublin region is a shared service managed by the Dublin Regional Homeless Executive (DRHE) sourcing new emergency accommodation and managing existing services across Fingal. The DRHE, in collaboration with Fingal County Council's Housing Dept, refers clients to approved emergency accommodation centres where applicable.
