THURSDAY 8TH OCTOBER 2026

MOTION NO. 35

**INSTALLATION OF YELLOW LINES - BARNAGEERAGH - SKERRIES -
AI109884**

Motion: Councillor T. O’Leary

“That the Chief Executive arranges for the installation of yellow lines and formal “No Parking” signage or other measures, as on-street parking is causing issues for emergency vehicle access and a danger to young children in that residential area, noting the estate was taken in charge in February 2026 and there is access to an underground car park.”

Report:

A site inspection was carried out at Turnstone, Barnageeragh Cove, Skerries, on 06 October 2026. The location inspected is shown in Figure 1. A small number of vehicles were observed parked at the time of inspection, as shown in Figure 2.

Existing “No parking signs ” were also noted (Figure 3), however these were not installed by Operations Department Traffic Section. The need for additional parking restrictions requires further assessment of the available carriageway width and the effect of parking on vehicle access.

Turnstone is currently not listed as taken in charge in the records available to the Operations Department. Turnstone, Barnageeragh Cove must be listed as taken in charge before the request for additional parking restriction can be progressed.
