Item 07

Councillor P. Mulville – Special Amenity Area Orders for Rogerstown, Malahide and Baldoyle Estuaries

“That the Chief Executive, given the recent making of the new County Development Plan, outlines her best estimate as to when the process can commence to put in place Special Amenity Area Orders (SAAO) for Rogerstown, Malahide and Baldoyle Estuaries given the urgent need for Special Amenity Area Orders designations as vital to aid the conservation of these European sites and the habitats, flora and fauna that they have been designated to protect, given the Climate and Biodiversity Emergency declared by Dáil Éireann in May 2019, and the recent pressing recommendations of the Citizens’ Assembly on Biodiversity Loss in November 2022.”

Response:

It is anticipated that significant survey work will be commissioned at these designated sites over the coming two to three years in line with the provisions of the Fingal Biodiversity Action Plan and specifically the ongoing management of these areas. It is further expected that this data will as appropriate be directly relevant and necessary to the proposed SAAO process.
